ACTIVITY REPORT-2026-2027

The Department of English, in association with the Internal Quality Assurance Cell (IQAC) of Shri Sangameshwar Arts & Commerce College, Chadchan, organized an inspiring literary activity titled "Words of Wisdom" on 21st August 2026 at 3:00 PM in the Library Reading Hall. The primary objective of the programme was to encourage students to cultivate consistent reading habits, foster a genuine interest in literature, develop critical thinking skills, and nurture positive attitudes through the profound insights of world-renowned authors.

During the event, participants explored selected quotations and timeless ideas from great thinkers. Students engaged actively by sharing meaningful quotes and offering their own analytical views on the underlying values conveyed through these literary works. The dynamic interaction underscored the transformative nature of literature and demonstrated the remarkable power of words to inspire, heal, motivate, and guide personal growth.

The gathering was further enriched by the presence of key faculty members and leadership. Principal Prof. M. K. Biradar delivered an insightful address on the true essence of wisdom in writing, emphasizing how engagement with literature builds intellectual clarity and moral strength. Faculty members Prof. Basavaraj Yallur and Prof. Vinod Ghevend were also present, contributing to the supportive and academic atmosphere of the venue.
